

1. Observation of World Environment day 5th June 2020

To observe World Environment Day 2020, the students of Department of Environmental Science, Nabadwip Vidyasagar College prepare a small tribute to our mother earth. In this year the devastating phase of Covid 19 pandemic was shaken the entire earth. The students are prepared a small video to tribute our nature. **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College encouraged the students for doing such awareness program. The teachers of this department also participated to motivate the students and create a harmony. You tube link of this program: <https://youtu.be/1tPmaU7LwoI>

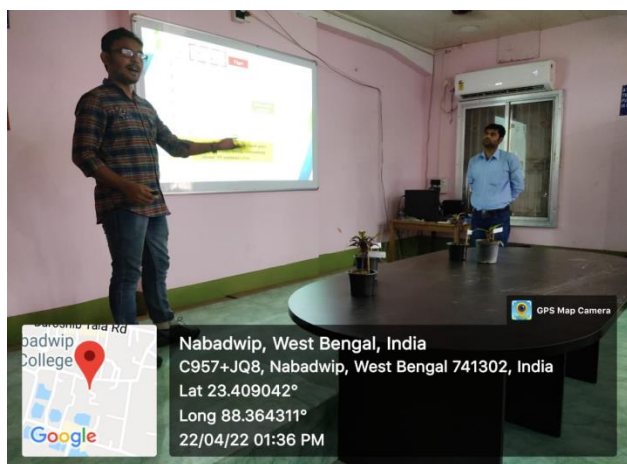

2. Observation of World Environment day 5th June 2021

To observe World Environment Day 2021, the Department of Environmental Science, Nabadwip Vidyasagar College In collaboration with IQAC arranged a National Level Webinar on 5th June, 2021. The webinar was conducted in an online mode via Google Meet and streamed on YouTube, was attended by numerous participants from the college and beyond. **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College, being the most appreciated guest, addressed all the participants with his valuable thoughts. Representatives of IQAC exchanged their thoughts on the theme of the day. The occasion was graced by **Dr. Suvendu Manna**, Assistant Professor, Department of Health, Safety and environment, University of Petroleum and Energy Studies, Dehradun. He discussed the topic of "Grey water recycling and reuse". Throughout this informative interaction, participants understood the concept of grey water and also developed a view on the use, misuse, and real value of limited potable water in our ecosystem. The final phase of this session was concluded with a vote of thanks.

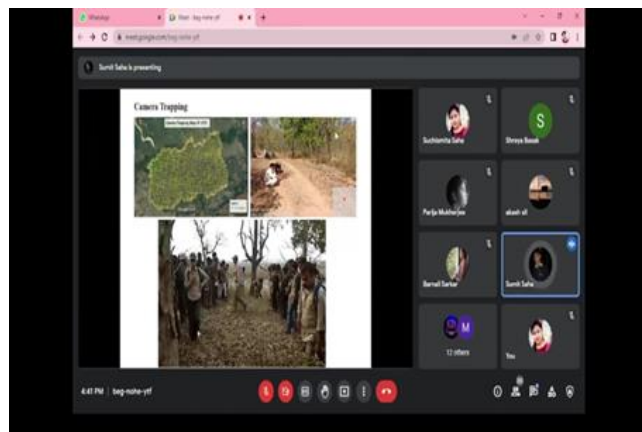

3. Observation of World Earth Day 22nd April 2022

Our planet is an amazing place, but it needs our help to thrive! That's why each year on April 22, more than a billion people celebrate Earth Day to protect the planet from things like pollution and deforestation. By taking part in activities like picking up litter and planting trees, we're making our world a happier, healthier place to live. In line with this notion, in the year 2022, Nabadwip Vidyasagar College, Department of Environmental Science, in collaboration with IQAC, organised an observational activity. The respected guest for the day was **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College. He delivered a welcome motivational speech for the students. The occasion was graced by **Mr. Samrat Paul**, Field biologist (Sundarban), WTI. He expressed his own field experience with his presentation on "A tale on Sundarbans Tiger: Its conservation and effective management". As an ex-student of the Department of Environmental Science, Nabadwip Vidyasagar College, he inspired and motivated all the students of this college. The end of the programme was announced with a vote of thanks.

4. Observation of International Day for Biological Diversity , 22nd May 2022

The United Nations has proclaimed May 22 The International Day for Biological Diversity (IDB) to increase understanding and awareness of biodiversity issues. To concede this notion, the Department of Environmental Science, Nabadwip Vidyasagar College, in collaboration with IQAC structured a National Level Webinar on the Observation of International Day for Biological Diversity on 22nd May, 2022. The webinar was conducted in an online mode via Google Meet and streamed on YouTube, was attended by numerous participants from the college and beyond. **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College, being the most appreciated guest, addressed all the participants with his valuable thoughts. Representatives of IQAC articulated key information on "**Building a shared future for all life**" as the theme of the day. The occasion was graced by Mr. Sumit Saha, Field Biologist, Satpura Tiger Reserve, Narmadapuram, Madhya Pradesh. He expressed his own field experience with his presentation on "Tales of Tiger Conservation in India". Being an ex-student of the Department of Environmental Science, Nabadwip Vidyasagar College, Mr. Sumit Saha inspired and motivated all the students of this college. The end of the programme was announced with a vote of thanks.

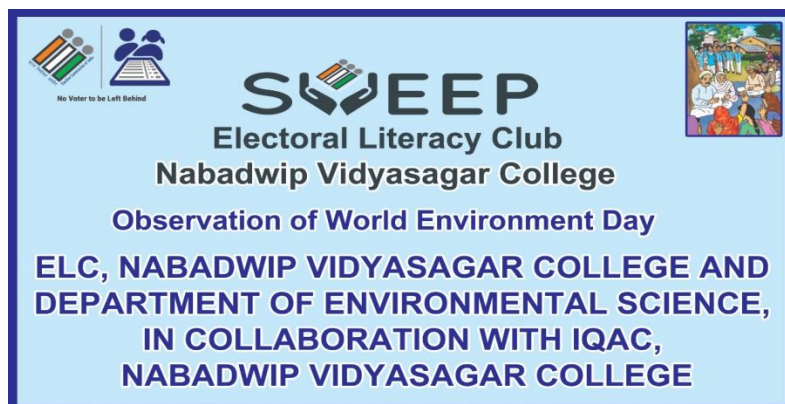

5. Observation of World Environment day 5th June 2022

Plantation of Trees in College Compound

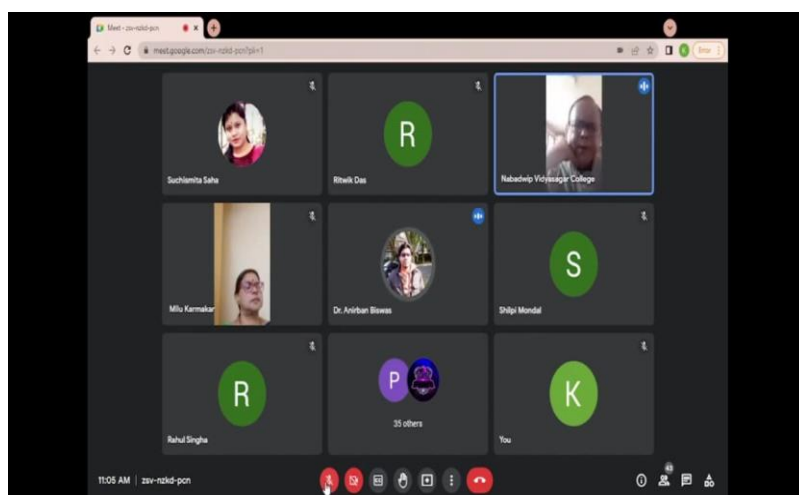

The world environment day is celebrated every year on 5th June to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environmentally friendly activities. People come together to pledge towards building a greener planet. Keeping this aim in view, Nabadwip Vidyasagar College, Department of Environmental Science, in collaboration with IQAC, celebrated World Environment Day on 5th of June 2021. **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College, inaugurated the programme with a small informative speech. Following that, the respected Principal Sir began a plantation session by planting a sapling on

the college grounds. Following him, members of IQAC, teachers from other departments, and student representatives planted their saplings in the college area. Students of various branches from the department participated and celebrated World Environment Day enthusiastically. They were asked to plant a sapling to create a green corner. A lot of enthusiasm was seen in the students. The event was conducted successfully with whole-hearted participation and awareness about plants.

Observation of the day through a webinar

The Nabadwip Vidyasagar College, Department of Environmental Science and Department of Geography in collaboration with IQAC hosted a State Level Webinar on World Environment Day on 5th June 2022 to encourage awareness and action to protect our environment. The webinar was conducted in an online mode via Google Meet and streamed on Youtube, was attended by numerous participants. The respected guest for the day was **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College. He laid a wreath at the portrait of Vidyasagar and then delivered the welcome motivational speech for the partakers. The occasion was graced **Dr. Soma Mukherjee**, Professor, Department of Environmental Science, University of Kalyani, West Bengal; **Dr. Subarna Bandyopadhyay**, Assistant Professor, Department of Geography, Subhas Chandra Bose Centenary College, University of Kalyani. **Dr. Soma Mukherjee** shared valuable thoughts on the topic of “Can Technology and Innovation Help to Save Our Environment” which helped participants to comprehend the relationship between environment and technology. **Dr. Subarna Bandyopadhyay** enriched everyone with his presentation on “Need of Eco-friendly attitude in our Daily Life”. It was a wonderful opportunity for them all to discuss different aspects of modern environmental challenges with one another and acquire a great contrast of knowledge. Finally, the webinar was concluded with a vote of thanks.

6. Observation of Van Mahotsav 1st to 7th July 2022

Van Mahotsava means "tree festival." This tree-planting festival is observed annually over a period of a week starting from **July 1st to July 7th**. In the year 2022, Nabadwip Vidyasagar College, Department of Environmental Science, in collaboration with IQAC, organised a tree planting ceremony to cherish the core essence of this festival. **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College, inaugurated the programme with a small informative speech. Following that, the respected Principal Sir began a plantation session by planting a sapling on the college grounds. Following him, members of IQAC, teachers from other departments, and student representatives planted their saplings in the college area. After completion of plantation work, every participant swore to protect all those saplings within their personal capacity.
